

CLUB STATEMENT

Effective Immediately:
March 12, 2020

Dear Carolina Velocity Families.

It is with a lot of thought, conversation and reflection that the Carolina Velocity Futbol Club has made the decision to suspend all soccer operations immediately, effective today (Thursday March 12th 2020) due to the possible spread of the COVID1-19 that has been determined a pandemic world-wide. We have been in touch with US Club, NCYSA and Carolina Champions League they have suspended all matches and events until April 1st 2020 as of now to try and get a better understanding of what we are dealing with and how to move forward.

In the end, our organization is about people, and creating a positive experience for all who play and attend our training sessions and matches. This is just a suspension of play, our full intention over the next two weeks is to implement a plan to make sure that all our scheduled matches, programs and training sessions resume and get played in full after we feel comfortable returning to the fields. Our goal is to make up any missed time on the field for our players.

With that being said, again, effective immediately, we are suspending all training sessions, matches and programs that are to be held by Carolina Velocity. No teams will be travelling to outside facilities to play matches or tournaments.

We apologize for any inconvenience this may cause families.

Yours Sincerely,
Andy Thompson
Director of Soccer
Carolina Velocity Futbol Club
